

# GREATER THAN and LESS THAN

# ANSWERS

31 IS GREATER THAN 18, SO THE ALLIGATOR'S MOUTH FACES TOWARDS 31.

52 IS LESS THAN 79, SO THE ALLIGATOR'S MOUTH FACES TOWARDS 79.

SINCE THE MOUTH IS FACING TOWARDS 31, 31 IS GREATER THAN 18, AND SINCE THE MOUTH IS FACING AWAY FROM 52, 52 IS LESS THAN 79.

Now your turn.

Cut out the hungry alligators below and glue the faces so the mouths face towards the greater number.
